Welcome to UK PonyCon 2022

The UK PonyCon team is pleased to welcome you to UK PonyCon 2022. Whether this is your first time here or you're returning for more, we hope you have a great time.

This year's theme is "The Gothic".

This of course includes the classic black goth clothing, but gothic encompasses so much more. You'll see gothic undertones in this con book, our art and merchandise, and no doubt in some of the amazing cosplays on show this weekend. Our events schedule is overflowing with events, some of which will tell you more about what it means for something to be gothic.

Riding for the Disabled Association continues to be the convention's adopted charity. This summer I had the pleasure to attend their national championships and see first hand how they improve the lives of children and adults with disabilities. RDA groups across the UK help them to develop physical balance and mobility, communication and relationships, and most importantly confidence and happiness. Please speak to the RDA volunteers at their stall and they'll tell you more about their work. We're grateful for the items donated to the charity auction, and to those who bid generously. Our tombola and things-in-a-jar game also raise money

for RDA, and sponsor tickets raised hundreds of pounds before the weekend even began!

I invite you to make the most of the convention weekend, whatever that means for you. We have more stalls than ever before to satisfy your shopping needs, our events schedule is packed from presentations to games, covering all sorts of topics from valued contributors, our Saturday night music concert is back, we've got special guests who'll share their stories, and if you're here to catch up with friends, we've got plenty of spaces for you to do that too.

If you need any help, please talk to one of our friendly team members wearing a staff shirt or badge.

Ponyville PLAZA

The logo for 'Ponyville PLAZA' is rendered in a light blue, stylized font with a white outline. The word 'Ponyville' is smaller and positioned above 'PLAZA'. To the right of the text is a black silhouette of a figure with a white skull head and a long purple cape. The entire logo has a dripping, icicle-like effect at the bottom.

General UK PonyCon Rules

UK PonyCon is an event suitable for all ages and we want to provide a fantastic convention for everyone regardless of age, gender, race or disability. To this end, we have rules which set out our expectations of you, and equally what you can expect from us in the unlikely event of an incident.

Most of this is common sense, but the full rules are available on our website www.ukponycon.co.uk/rules or from the UK PonyCon Information Desk. If in doubt, please seek out any UK PonyCon committee member who will be able to assist you.

We draw attention to the following rules/guidelines in particular:

COVID-19

People who have recently tested positive for Covid-19, or are experiencing symptoms of Covid-19, must not attend UK PonyCon.

We do not require wearing of face masks, however you are welcome to wear one at the convention. Please respect others who choose to wear a face mask.

Photography policy

Please ask before taking a photo. UK PonyCon will be photographing and filming the convention, and may also grant this permission to approved press and media. Media created from the convention may be used in promotional materials for future events organised by UK PonyCon.

Ask before touching

Please ask before handling products on stalls and make sure your hands are clean. Approach cosplayers & fursuits from the front and ask before hugging or holding. Don't touch or give unwelcome attention to anybody, in cosplay or otherwise, without their permission.

Children and Families

Attendees aged 13 and under must be accompanied by an adult aged 18 or over at all times.

Attendees aged 14 and 15 must be accompanied by an adult aged 18 or over on Saturday evening after 18:00.

Be good to each other

When at UK PonyCon, be honest, be kind, be awesome, be helpful, be generous, have fun and let's make the magic happen together.

You might learn something new or you might have more questions. After all, it's just a theory...

Total Chaos

Discord has made his way through the portal and is here at UK PonyCon but his chaos magic doesn't seem to work right. Join him as he tries to get his magic back in the most chaotic way he knows how. An over the top head-to-head gameshow! A crazy Quiz, nonsense arguments and a bit of whacky drawing. Be sure to sign up and become a contestant to help fuel the chaos in the UK PonyCONLINE Discord server!

Transport Ponies with Ace and Zenfox

Join Ace an Aviation enthusiast (avgeek) and Zenfox a Railway enthusiast in their talk about tips and tricks as well as experiences while travelling to conventions, meet ups and general travel. Specifically talking about the dos and don'ts, offering guidance to travelling on a budget and to answer questions and concerns.

Voice Actor Script Reading & Q&A

With our guests of honour Andrea Libman and Anneli Heed, joined by Laura Kay and Bexi, come listen to a never before heard script written by Bexi and including our beloved mascot Britannia. There will also be time for a question and answer session.

Werewolves of Ponyville

Lycanthropy has hit Ponyville! Can you survive long enough to save the town and rid it of the werewolf plague or will Ponyville's only hope be the Cutie Mark Crusaders and the Ponymicron?

World of Pony Plushies

Pony plushies: fan made, original characters, official, unlicensed, fakes. Don't we all love them? This is a fun tour of the world of lovely (and not so lovely) plushies of the world. You won't learn how to make them, but you will see what people have made.

Andrea Libman

Andrea has worked as a voice actor for the past 30 years, bringing to life the animated characters we all know and love. A staple in the voice industry, Andrea may best be known for the voices of fast-talking Pinkie Pie and reserved Fluttershy for the wildly popular *My Little Pony: Friendship Is Magic*, which aired for 9 seasons.

Her long-running career highlights include voicing classic characters such as: Madeline in the Emmy-award-winning series *The New Adventures of Madeline*; Emmy in *Dragon Tales* and Andraia in *Reboot*.

Andrea has recently starred in a variety of new series that are sure to be added to the TV treasure-trove of childhood favourites, including: the voice of Maya the Bee in the same

named series, *Potato in Chip and Potato*, and Katya in *Super Monsters*. She is proud of her recent work as the voice of Lili on *16 Hudson*, a show which promotes diversity and inclusion and has received numerous accolades and awards for its quality content and valuable lessons. Andrea also voiced Cheryl the Mantis for the 2018 Oscar-Nominated Animated Short Film *Animal Behaviour*.

In her spare time, Andrea enjoys spending time with her family, reading, playing piano, skiing and hiking.

Anneli Heed

Anneli and MLP goes way, way back, with collecting G1s as a little girl and then voicing the ponies in three generations and guesting her first MLP convention in 2012 - she thanks Spitfire and her pie preferences for this!

Anneli's roles in My Little Pony include MLP G5 Izzy Moonbow (kinda type casted), MLP G4 Spike, Spitfire, Chrysalis, Sweetie Belle, Cadence, Cheerilee, Pinkies and Dashies singing voices plus ca 50 more ponies, and MLP G3 Scootaloo.

Anneli is continuously heard in both Swedish and English TV-series, movies, games, radio and toys, working for Disney, DreamWorks, Netflix, PlayStation, Nintendo and more.

Anneli Heed is the only voice actor allowed to voice Princess Leia in all animated Star Wars in Swedish since 2015.

Other roles include: Tigress in Kung Fu Panda, Wendy in Disney's Gravity Falls, The Biskit Twins and Mrs Twombly in Littlest pet shop, Barbie, Transformers and more.

She is part of the actual play podcast Sweden Rolls, an English RPG podd where five actors play the best of board games such as Dungeons and Dragons, Forbidden Lands and Coriolis.

She loves spicy food, sunshine, sparkling wine and happy people.

Charity

We support RDA!

UK PonyCon is very proud to support the Riding for the Disabled Association (RDA). All money donated in our charity auction will be given to RDA.

About RDA

Enriching lives through horses

What is RDA?

RDA is dedicated to improving the lives of children and adults with disabilities through spending time with horses. With the support of thousands of volunteers and qualified coaches, RDA has hundreds of centres all over the UK, supporting cities and remote rural areas. Through fun activities like riding and carriage driving, their beneficiaries experience the positive impact of their work; with significant improvements in physical and mental wellbeing, verbal and non-verbal communication, relationship building and confidence.

What do they do?

RDA focuses on ability, not disability, and exists to deliver therapy, achievement and enjoyment. They do this by giving

individuals the opportunity to:

- **Reach therapeutic goals:** improve posture and muscle tone, develop fine/gross motor movement.
- **Achieve personal ambitions:** sit on a horse for the first time, learn new skills, win a Paralympic medal.
- **Combat social isolation:** build relationships, enjoy events and competition, develop self-confidence.
- **Develop life skills:** improve communication, take responsibility, be a team player.

Experience the outdoors: ride in the countryside, access rural Britain.

Connect with animals: bringing positivity and optimism, adding a new element to life.

What are their goals?

RDA's key objective is to deliver beneficial therapy (both physical and psychosocial) to their riders, carriage drivers and vaulters, facilitating development in key aspects of their lives, including health, well-being and learning, whilst giving them the chance to experience a unique degree of independence and achievement that their disabilities would usually prevent them from experiencing in everyday life. Their aim is to increase the capacity of RDA to deliver more riding, carriage driving and vaulting opportunities to more adults and children. At present the majority of RDA Groups have a waiting list: for every one person who currently rides with them another four are waiting for the opportunity to do so and to experience the associated benefits. To achieve this there they need to invest heavily in volunteer recruitment, development and training.
