

UK PONYCON 2018
~ Con Book ~

UK PonyCon 2018 Venue Guide

Welcome to UK PonyCon 2018

It's that time of year again when we open our doors and welcome more people than ever from near and far to the fifteenth annual UK PonyCon. The Committee have put a lot of work in over the past year getting ready and many more people have contributed too. We hope that you're going to have a great time with us.

Our theme this year is Crystal, which is the traditional gift for a fifteenth anniversary. We feel the high glass ceilings and crisp clean spaces here at the Nottingham Conference Centre are reminiscent of the Crystal Empire. For more crystal-themed goodies and so much more, be sure to browse the stalls area.

Once again, we're supporting the Riding for the Disabled Association (RDA), whose network of volunteer groups provide therapy, achievement and enjoyment to people with disabilities by organising activities such as riding and carriage driving across the UK. Contributions from Supporter and VIP tickets have already raised over £650, and we hope to raise even more at the charity auction.

From all of us on the Committee, we're looking forward to sharing this special weekend with you and if you need anything, please ask any of us.

From, MAZ

Meet the 2018 Committee

Maz - Chairperson

Since first discovering the My Little Pony fandom in 2013, Maz is now excited to help organise this year's UK PonyCon. When he's not working hard for the con, he's sleeping, eating or playing with computers. His favourite pony is Fluttershy.

Sparkler - Art and Design Lead and Vice-Chair (also super secret spy agent)

Sparkler stood in her pony room, admiring her collection. "It's so beautifully shiny," she remarked as she rearranged her colourful pony treasures. Sparkler loves shiny, sparkling objects. When she is on the committee, she makes all things sparkly.

Guiding Breeze - Treasurer (Princess of the exchequer)

A fan of My Little Pony since 2012, Guiding Breeze joined the Committee in 2017 as Treasurer and managed to survive the first yet to return this year. As well as looking after all the bits, they also help with stallholder management and venue accessibility.

Irish O'Conner - Comms Lead (If you don't see me with my phone in my hand, that's not me)

A new member to the committee, Irish O'Conner took the role of Communications Leader with excitement! (and truthfully, much fear). He looks after all the social media websites, and he notifies you about what the committee has in store. You would most likely see him running around con, making announcements and posting on all the websites with his phone.

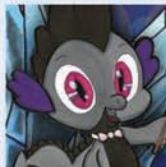

Hampshirebrony - Operations Lead

Hampshirebrony has been on the convention circuit since 2012. He is the one who knocks.

Metaphor - Volunteering Lead (CCG Duelist)

A Brony since mid 2011 and having joined the committee in 2017, Metaphor is currently responsible for organising volunteer support for all the events at UK PonyCon and ensuring that said volunteers have a fun and enjoyable time.

Meet the 2018 Committee

Midnightdynasty - Events Lead

(Princess Luna is my patronus)

Midnight Dynasty, also known as Bexi is looking forward to leading the events team for a second year! A fan of all generations, in particular G2, but is most fond of Princess Luna. Also has a weird obsession with chocolate milk and glitter... lots of glitter...

Daisyd - Events Assistant

Daisy is the human equivalent of Grumpy Cat. She spends a lot of time saying "NO". The only things she doesn't say "NO" to are ponies, chocolate, more ponies, and UK PonyCon.

Sarahthrel (Saz) - Events Assistant

(mind of a pony, heart of a duck)

A self confessed and very proud geek, I adore all things technology and all things pony. I've always been a my little pony fan from when I was a kid, however I started to collect ponies in 2011. I'm also a mad mighty ducks animated fan and has been since I was 14 and love to both draw and discuss the show. I also love Nordic walking, gaming, theatre and photography.

Amlaur - Events Assistant

(MLP is life, MLP is love)

Pegasister who is a collector of all things pony. Rekindled her love of pony when she first watched FIM in 2013 and has become involved with the fandom since. First attended UKPC in 2014. Committee since 2017. Loves to have fun and make new friends.

CherrySparks - Events Assistant

I have been in the pony fandom since 2010, and I am a big fan of card games and just animation in general. Hope you all enjoy the con!

Vikki - Events Assistant

When Vikki is not busy looking after super cute hedgehogs she is collecting everything Applejack.

General UK PonyCon Rules

UK PonyCon is an event suitable for all ages and we want to provide a fantastic convention for everyone regardless of age, gender or disability. Please be aware of how your actions, even if well meaning, can spoil the enjoyment of the event for other attendees.

To this end, we have rules which set out our expectations of you and what you can expect of us. They cover areas such as cosplay, prohibited items, photography and videography, press and media, anti-harassment and stallholders.

The rules are available to view on our website at www.ukponycon.co.uk/rules and printed copies are available at the UK PonyCon Information Desk.

UK PonyCon supports the RDA

At RDA, our horses and ponies provide therapy, achievement and enjoyment to people with disabilities all over the UK.

Our network of 500 volunteer groups organise activities such as riding, carriage driving, vaulting, showjumping and Hippotherapy to over 25,000 people each year.

We have been carrying out our life-changing activities for almost 50 years, and take great pride in the exceptional standard of our coaches and volunteers (18,000 in all).

We offer activities for all age groups and, wherever possible, to people with any disability – and you're just as likely to find an RDA Group in an urban setting as a rural one.

You can find us at stall 44 in the vendors hall or visit us online at www.rda.org.uk
