UK PONYCON 2018

CRYSTAL BALL

OUR AMAZING CRYSTAL BALL LINEUP

When tasked with making the events schedule for the 15th UK PonyCon one to remember, my mind went to one place: let's have a ball! This has been my largest project this year and I hope you are all as excited as I am for the four acts we have lined up for you tonight.

There is no formal dress code for this event. Rock up how you like, whether that's your finest suits and gowns or that pony t-shirt you had on earlier today. If it meets the convention rules, then it's allowed!

We are so lucky to have such a beautiful glass ceiling above the ball, so let's hope Princess Luna decides to bring out stars aplenty, so we can all celebrate together under her starlight tonight.

Get ready to sing, dance and enjoy the night.

STEELY HOOVES

Steely Hooves describes themselves as a musical mongrel, an adventurer and a fan of all things pony. Currently a music production student based in Manchester, Steely has been creating pony related songs for a number of years now and has recently received front page attention from Equestria Daily. Steely has performed at a number of cons at home and in Europe as a solo act and as a member of pony rock band Coltastrophe. EILEMONTY

Since she can remember, Monty has had a passion for entertainment. From the age of six she studied the art of singing, dancing and acting and left university with a 1st class BA honours degree in Musical Theatre. In the online world, she takes what she loves to YouTube including her admiration for animation and impressions. She has lent her voice to many projects and has worked with numerous YouTubers and companies such as Team Four Star, Mashed, Beano, ScrewAttack, Markiplier, The Living Tombstone, AtlanticCraft and many more. Find her on YouTube at "EileMontyVA" or on Twitter at @EileMonty.

PRINCEWHATEVERER

From the south-east coast, PrinceWhateverer has been a musician for as long as he can remember, and into My Little Pony since late 2011 with no plans to stop! His style is a mish-mash of heavy metal and pop-punk with sprinklings of electronic and acoustic for good measure. He's played cons in the UK, Germany, and the US and has a blast every time! Chances are if you like it loud, you'll like what he does! Listen to more of his music on his YouTube channel "PrinceWhateverer" and he can also be found on Twitter at @PWhateverer.

BASSPON3

BassPon3! (pronounced 'Base-Pony' if you're wondering) is a Leeds-born DJ, producer and music and movie geek with a love for ponies, hard trance and Eurodance.
