Welcome to UK PonyCon 2019

in Nottingham

On behalf of the UK PonyCon 2019 Committee, I am pleased to welcome you to our sixteenth annual convention. We've worked hard for the past twelve months to plan this event for you, and along with many volunteers, panellists, musicians, stallholders and others, we hope you have a great time this weekend.

This year's theme is Ocean Adventure. From seaponies to pirates, cruise liners to beaches, the theme covers all sorts of things. You'll see the theme in the convention's events, art and merchandise, and no doubt the cosplays of some.

The Riding for the Disabled Association is our nominated charity once more. We've already raised hundreds of pounds through supporter and VIP tickets, and we look forward to raising even more for them at the charity auction. Representatives from the RDA are here on Saturday, so be sure to visit their stall and find out more about the great work they do supporting people with disabilities.

It would be remiss to ignore that this weekend plays host to the final episode of the fourth generation of My Little Pony. Throughout this generation, UK PonyCon has evolved to welcome the new fans, bronies and pegasisters, by growing in size and including a broader events programme. While the show may end, the community that has grown around it and the wider MLP franchise will endure.

The convention will continue to evolve as we look forward to the next series of adventures for our pony friends, but as long as there's support for conventions like ours, we'd love to continue inviting you to celebrate the magic of friendship with us.

We hope you have an amazing experience, and if there's anything we can do to make it better, please approach any volunteer or committee member.

General UK PonyCon Rules

UK PonyCon is an event suitable for all ages and we want to provide a fantastic convention for everyone regardless of age, gender or disability. To this end, we have rules which set out our expectations of you, and equally what you can expect from us in the unlikely event of an incident.

Most of this is common sense, but the full rules are available on our website www.ukponycon.co.uk/rules or from the UK PonyCon Information Desk. If in doubt, please seek out any UK PonyCon committee member who will be able to assist you.

We draw attention to the following rules/guidelines in particular:

Children and Families

Attendees aged 13 & under must be accompanied by an attendee aged 18 or over at all times.

Ask before touching

Please ask before handling products on stalls, making sure your hands are clean. Approach cosplayers & fursuits from the front and ask before hugging/holding.

Photography Policy

Please ask before taking anybody's photo.

Cosplay is not Consent

Don't touch or give unwelcome attention to anybody, in cosplay or otherwise, without their permission.

Be good to each other

When at UK PonyCon, be honest, be kind, be awesome, be generous, have fun and let's make magic together.

UK PonyCon will be photographing and filming the convention, and may also grant this permission to approved press and media. Media created from the convention may be used in promotional materials for future events organised by UK PonyCon.

Charity

We support the RDA!

UK PonyCon is very proud to support the Riding for the Disabled Association (RDA). All money donated in our charity auction, tombola and things in a jar game goes to the RDA.

About RDA

Enriching lives through horses

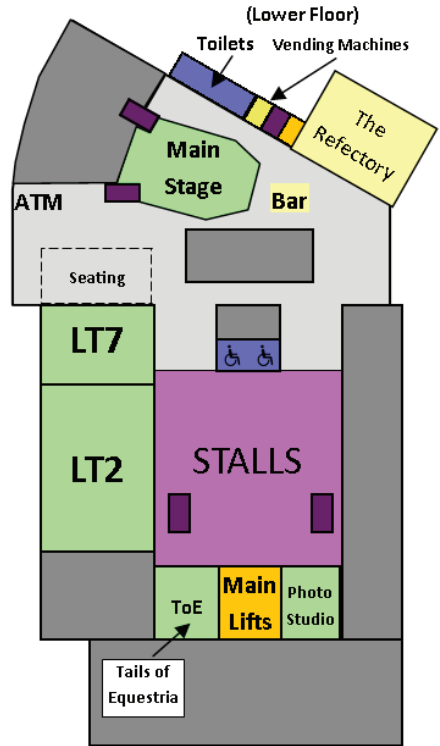

At Riding for the Disabled Association (RDA), our horses benefit the lives of over 25,000 disabled children and adults. With fun activities like riding and carriage driving, we provide therapy, fitness, skills development and opportunities for achievement – all supported by 18,000 amazing volunteers and qualified coaches at nearly 500 RDA centres all over the UK.

RDA is an inclusive and diverse organisation. We welcome clients with physical and learning disabilities and autism, and there are no age restrictions. Through our network of member groups, RDA is at work in every corner of the UK, in our cities and remote rural areas, bringing the therapy, achievement and fun of horses to as many people as we can. We are a charity, and we can only carry out our life-changing activities thanks to the generosity of our donors, the dedication of our volunteers and the good nature of our fantastic horses.
