Welcome

To UK PonyCon 2021 in Nottingham

Thank you.

Thank you for staying safe, making sacrifices and getting through the tough times. Thank you to all the people who helped us through the past 19 months. Thank you, for your continued patience and understanding when it comes to the return of live events.

It's been far longer than normal, but we're so very pleased to welcome you back to UK PonyCon. To celebrate, this year's theme is **"Let's Get This Party Started!"**, which you'll see reflected in our art, merchandise and events.

Many aspects of the convention are the same, although we've had to make some changes. Please take the time to read through this con book to learn about the events and spaces we have for you to explore, observe signage and requests from our volunteer team and be kind towards those who are anxious about being at a large social event once again.

Two years ago, the final episode of My Little Pony Generation 4 aired. Two weeks ago, the new movie My Little Pony: A New Generation was released on Netflix, marking the official beginning of Generation 5. The beginning of Generation 4 inspired so many creative endeavours, and I can't wait to see this all over again for Generation 5 in the stalls, events and crafts during this weekend.

As always we're proud to continue supporting the Riding for the Disabled Association. Through the lockdowns, their volunteers across the UK have adapted to continue to support their riders and carriage drivers, thanks to donations from people like yourselves. Be sure to visit their stall to find out more about what they do, and donate and bid generously in our charity auction.

We've got a great selection of stalls, a busy schedule of events and activities and plenty of space to catch up with old friends. We're glad to have you back, and we hope you enjoy everything we have on offer. Please let us know if there's anything we can do to improve your visit while you're here.

General UK PonyCon Rules

UK PonyCon is an event suitable for all ages and we want to provide a fantastic convention for everyone regardless of age, gender, race or disability. To this end, we have rules which set out our expectations of you, and equally what you can expect from us in the unlikely event of an incident.

Most of this is common sense, but the full rules are available on our website www.ukponycon.co.uk/rules or from the UK PonyCon Information Desk. If in doubt, please seek out any UK PonyCon committee member who will be able to assist you.

We draw attention to the following rules/guidelines in particular:

COVID-19

All attendees aged 18 years and over must be either fully vaccinated, show a negative test or proof of recovery upon entering the venue, unless medically exempt. People showing any COVID-19 symptoms, however mild, must not travel to or attend UK PonyCon. If you develop symptoms during the convention, you must leave and follow NHS guidelines and take a test. We do not require a negative test to attend, but we do encourage people to take a test before entering. Please keep a safe distance from everyone, and wash your hands often.

Be good to each other

When at UK PonyCon, be honest, be kind, be awesome, be helpful, be generous, have fun and let's make the magic happen together.

Ask before touching

Especially during the COVID-19 pandemic, please ask before handling products on stalls and make sure your hands are clean. Approach cosplayers & fursuits from the front and ask before hugging/holding. Don't touch or give unwelcome attention to anybody, cosplay or otherwise, without their permission.

Photography policy

Please ask before taking a photo. UK PonyCon will be photographing and filming the convention, and may also grant this permission to approved press and media. Media created from the convention may be used in promotional materials for future events organised by UK PonyCon.

Children and Families

Attendees aged 13 & under must be accompanied by an adult attendee aged 18 or over at all times.

UK ponycon Merchandise

During our convention we provide a lovely selection of exclusive UK PonyCon merchandise, all to celebrate our „Let's Get This Party Started“ theme. Want these items to remember UK PonyCon 2021 for years to come? You can visit our merchandise table to purchase these exclusive items. Here is a preview of this year's themed items we have on sale.

Charity

We support the RDA!

UK PonyCon is very proud to support the Riding for the Disabled Association (RDA). All money donated in our charity auction will be given to the RDA.

About RDA

Enriching lives through horses

What is the RDA?

RDA is dedicated to improving the lives of children and adults with disabilities through spending time with horses. With the support of 18,000 volunteers and qualified coaches, RDA has 500 centres all over the UK, supporting cities and remote rural areas. Through fun activities like riding and carriage driving, their beneficiaries experience the positive impact of their work; with significant improvements in physical and mental wellbeing, verbal and non-verbal communication, relationship building and confidence.

What do they do?

RDA focuses on ability, not disability, and exists to deliver therapy, achievement and enjoyment. They do this by giving individuals the opportunity to:

- **Reach therapeutic goals:** improve posture and muscle tone, develop Afine/gross motor movement.
- **Achieve personal ambitions:** sit on a horse for the first time, learn new skills, win a Paralympic medal.
- **Combat social isolation:** build relationships, enjoy events and competition, develop self-confidence.
- **Develop life skills:** improve communication, take responsibility, be a team player.

Experience the outdoors: ride in the countryside, access rural Britain.

Connect with animals: bringing positivity and optimism, adding a new element to life.

What are their goals?

The RDA's key objective is to deliver beneficial therapy (both physical and psychosocial) to their riders, carriage drivers and vaulters, facilitating development in key aspects of their lives, including health, well-being and learning, whilst giving them the chance to experience a unique degree of independence and achievement that their disabilities would usually prevent them from experiencing in everyday life. Their aim is to increase the capacity of RDA to deliver more riding, carriage driving and vaulting opportunities to more adults and children. At present the majority of RDA Groups have a waiting list: for every one person who currently rides with them another four are waiting for the opportunity to do so and to experience the associated benefits. To achieve this there they need to invest heavily in volunteer recruitment, development and training.
